

PERMISSION TO PUBLISH FORM

Hampstead Academy's ability to portray its program accurately and vibrantly is dependent on parent support of the school's use of images of students and their work. Such images may include, but are not limited to, the student's photographic and/or videographic image or likeness; audio recordings of the student's voice; and/or reproductions of the student's work. Signing this agreement permits Hampstead Academy to use, re-use, duplicate, produce and/or re-produce images of the student and/or the student's work in the School's marketing and promotional materials in any media format(s). We will not publish student grades, test scores, last names, home addresses, phone numbers, or other information protected by federal regulations.
